

# Merry Christmas!

PARDS would like to extend our most sincere appreciation for the effort and dedication our supporters have shown us throughout 2010. The Peace Region is an extraordinary community and we are truly blessed to have been a part of it for over 26 years.

To our Donors, Volunteers and Supporters; our riders continue to succeed and achieve because of your valuable support. Your time, skills, compassion, commitment and contributions open doors and provide opportunities to the disability community in our region. Your generosity touches so many by keeping our programs accessible to all who need them. You are extraordinary people and each and every one plays a vital role in the PARDS organization. Thank you from the bottom of our hearts!

To our Riders; you are remarkable individuals who truly inspire us with your courage, strength and spirit. As we work with you, teach you and get to know you and your families, we learn so much about fortitude, resilience, determination and, above all else, acceptance. Thank you for allowing PARDS to work with you and for you and to be a part of your continued successes.

You are the heart and soul of PARDS.

We look forward to working with all of you again in 2012.

We wish you a Merry Christmas and a healthy and happy New Year!
